

You're Not the Only One

Joseph Arthur

Darkness descends
On everyone
Eventually

And still you keep past the hyenas
Wearing idiot suits
Past the reformers with holy pursuits

You're not the only one trying to hold on
To a kiss from yesterday
To a moment surrendered
When you were sure there was something more to say

And you're not the only one
With clothes so tattered
The eyes look sideways and then beyond
To thoughts of where you once came from
Rob from always on the run is so bad and copy paste is a sin
You're not the only one
Dead still from the beginning
Spinning a tribute to what could be
But you can't get happy through misery
And you're not the only one

You're not the only one
Down streets no shadows ever go
And still you keep moving
Past the shady cameras and artillery whores

You're not the only one
Against breaking skies and fall away floors
You're not the only one
Warped and wasted
With poison bought from yesterday

And you're not the only one
Drunk and holy
Aware of all that's come before
And what would come to stay

You're not the only one
In a slumber of booze and dreams
And even high ideals

But who are you
Still a no one
Still a mark
Still a seed
And who are you
You're not the only one

And who are you
You know you're not the only one
Who are you
You're not the only one
