

# When I See An Elephant Fly

Josh Gracin

I saw a peanut stand  
Heard a rubber band  
I saw a needle  
That winked it's eye  
But I think I will have  
Seen everything  
When I see  
An elephant fly

I saw a front porch swing  
Heard a diamond ring  
I saw a polka-dot railroad tie  
But I think  
I will have seen everything  
When I see an elephant fly

I saw a clothed horse  
Rear up and buck  
And they tell me that a man  
Made a vegetable truck  
I didn't see that  
I only heard  
But just to be sociable  
I'll take your word

I heard a fireside chat  
I saw a baseball bat  
And I just laughed  
Till I thought I'd die  
But I'd be done seen  
About everything  
When I see an elephant fly

I even heard  
A jockle and drop  
I went into a store and saw a bicycle shop

You can't deny  
The things that you see  
But I know there are certain that just can't be

I heard a far side chat  
Heard a baseball bat  
I bat until I thought I'd die

But I think  
I will have seen everything  
When I see an elephant fly
