

Lovin' You Is Easy

Journey

I know you got that special something, oh baby
I know you like to keep it hummin', oh baby

'Cause girl lovin' you is so easy
Oh, lovin' you is so easy, yeah yeah yeah yeah
My, my, my, my, my, my, my, my, yeah yeah yeah

Come on girl, give me that good lovin', oh baby
Come on girl, keep the motor hummin, oh oh baby

'Cause lovin' you is so easy, my, my, my, my
Lovin' you is so easy
Lovin' you is easy

Girl, after the mornin' sunlight
After the band has flown away
Oh, we'll be thinkin' of you
Yes, we'll be holdin' on girl

Lovin' you is easy
Lovin' you is easy

Oh, I'm lovin', lovin', lovin', lovin', lovin', lovin', lovin',
you
Oh and it's easy

Oh, I'm lovin', lovin', lovin', lovin', lovin', lovin', lovin',
you
And it's so easy
