They Walked in Line

Joy Division

All dressed in uniforms so fine They drank and killed to pass the time Wearing the shame of all their crimes With measured steps they walked in line They walked in line

They carried pictures of their wives And number tags to prove their lies And made it through the whole machine With dirty hearts and hands washed clean They walked in line

Full of a glory never seen They made it through the whole machine To never question any more Hypnotic trance, they never saw They walked in line They walked in line Walked in line
