Out in the street
They call it murder

Gun tucked (in the street)
Niggaz front (in the street)

My gun tucked

So, welcome to jamrock
No, welcome to my damn block
Where the slugs and cans pop
For the ones and tan rocks
Kids play in the sandbox
Other kids
Lay in boxes with sandtops
You can't stop this
Murder, murder, mu-murder, murder, mu-murder shit, this
Servin', servin', se-servin', servin', se-servin' bricks, we
Purchase, purchase, pu-purchase, and purchase, purchase whips, we
Swervin, swervin, swervin, on purpose, bitch
Try to stop me, you ain't, kid
Try to pop me, you can't live
If so, you'll need an oxygen tank, shit
And for those bucks
I'm no punk
I'm Scarface, coked up, you know what
I think I need another hit
You know who you fuckin' with
Murder, murder, mu-murder, mu-murder these streets (I'm 'bout to)
Murder, murder, mu-murder, mu-murder these streets (I'm 'bout to)
Murder, murder, mu-murder, mu-murder these streets (I'm 'bout to)
Murder, murder, mu-murder, murder, mu-murder these streets
(2x)
I bang
I slang
My nuts hang, yup
So don't get it confused or fucked up
My dudes will jump up
The ruger, dump dump, bup bup
And (they call it murder)
Act stupid, the gat's shootin [gunshot]
We'll leave you there, leave you square
Box style, box style, he who dares (dares)
Don't play
