

(And) Then He Kissed Me

Juice Newton

Well, he walked up to me
And he asked me if I wanted to dance
He looked kinda nice
So I thought I might take a chance

When he danced, he held me tight
When he walked me home that night
All the stars were shining bright
And then he kissed me

Next time I saw him
I couldn't wait to see him again
I wanted to let him know
That he was more than a friend

I didn't know just what to do
So I whispered, "I love you"
Then he said that he loved me too
And then he kissed me

Kissed me in a way
I've never been kissed before
He kissed me in a way
I wanna be kissed forevermore

I knew that he was mine
So I gave him all the love that I had
And then one day
He took me home to meet his mom and his dad

Then he asked me to be his bride
And always be right by his side
I felt so happy that I almost cried
And then he kissed me

Then he asked me to be his bride
And always be right by his side
I felt so happy that I almost cried
But then he kissed me

And then he kissed me
And then he kissed me
And then he kissed me
And then he kissed me
And then he kissed me
