

9Th Ave. Limbo

Julee Cruise

Ooh

I'm going out
Yes, I'm going out
To the night
I will wear you out
It's for my soul

I'm going out
Yes, I'm going out
To the night
I will wear you out
It's good for my soul

Fire flies are out tonight
Those fire flies are out tonight
Watch them twinkle so bright
And the night

Thank you, that was very nice
