

## On The Phone

Julian Lennon

I'm on the phone once again  
I feel like callin' ev'ryone I know  
I called my girl twice last night  
She always cries when we have a fight

Ooh, I'm down on my luck again  
I really don't know what to do  
Yes, I'm down on my luck again  
and I don't know what to do  
But baby, I'll call you as soon as I get home

I'm on my own once again  
I feel the need to be with someone  
All my friends have been and gone  
My girl's at home and she's all alone

Ooh, I'm down on my luck again  
I really don't know what to do  
Yes, I'm down on my luck again  
and I don't know what to do  
But baby, I'll call you as soon as I get home

I'm on the phone once again  
I feel like callin' ev'ryone I know  
I called my girl twice last night  
She always cries when we have a fight

Ooh, I'm down on my luck again  
I really don't know what to do  
Yes, I'm down on my luck again  
and I don't know what to do

Yes, I'm down on my luck again  
and I don't know what to do

Yes, I'm down on my luck again  
and I don't know what to do

But baby, I'll call you as soon as I get home

Doot doot doo da...  
Doot doot doo da...  
Doot doot doo da da da da

Doot doot doo da...  
Doot doot doo da...  
Doot doot doo da da da da....
