

# You And The Night And The Music

Julie London

You and the night and the music  
Fill me with flaming desire  
Setting my being completely on fire  
You and the night and the music  
Thrill me but will we be one  
After the night and the music are done?

Until the pale light of dawning and daylight  
Our hearts will be throbbing guitars  
Morning may come without warning  
And take away the stars

If we must live for the moment  
Love till the moment is through  
After the night and the music die  
Will I have you

Until the pale light of dawning and daylight  
Our hearts will be throbbing guitars  
Morning may come without warning  
And take away the stars

You and the night and the music  
You and the night  
You
