## You And The Night And The Music

Julie London

You and the night and the music
Fill me with flaming desire
Setting my being completely on fire
You and the night and the music
Thrill me but will we be one
After the night and the music are done?

Until the pale light of dawning and daylight Our hearts will be throbbing guitars Morning may come without warning And take away the stars

If we must live for the moment Love till the moment is through After the night and the music die Will I have you

Until the pale light of dawning and daylight Our hearts will be throbbing guitars Morning may come without warning And take away the stars

You and the night and the music You and the night
