

**V.i.p.**

**Jungle Brothers**

You wanna get with us because we got it going on  
You wanna get with us because we got it going on  
You wanna get with us because we got it going on  
You wanna get with us because we got it going on

Check it out I'm rolling, steady strolling  
The microphone is on yo let me hold it  
Coming to the spot, get it hot  
Tell em turn it up so I can rock

The beats, the rhymes, they all in place  
We wanna show you what we gonna do in the place  
Hold it down, hold it down with the crown  
Jungle brothers bringing you that funky sound

All styles, no matter what you like  
We bring it to you, everyday be on the mic  
Strike back find out where we at  
Coming to you live, yo

We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P, won't you come see me

I like this, I like this, I like that, I like that  
I like this, I like this, I like that, I like that  
I like this, I like this, I like that, I like that

My only grandfather DJ Afrika Bambaata  
Sat me down and told me that I had to have a lotta  
Soul and control when the microphone is on  
Pregnate the rhythms and the words will be born

Take 'em all back with an old-school twist  
But make sure you do it to them just like this  
Take 'em to the east, take 'em to the west  
Take 'em to the north, south, yo you know the rest

Mike G where you at? And we coming from the back  
The beat sounds phat and we like it like that  
The rhyme is on time and we cutting no slack  
We in the V.I.P because we got it like that

So let's take 'em back with that old-school twist  
But make sure we do it to them just like this  
Take 'em to the east, take 'em to the west  
Take 'em to the north, south, yo you know the rest

We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P won't you come see me

I like this, I like this, I like that, I like that  
I like this, I like this, I like that, I like that  
I like this, I like this, I like that, I like that

I like this, won't you come see me

My name is baby bam  
Turn out the jam  
If you ain't got the fifty grand  
Don't even think about it man

We in the V.I.P  
All the drinks is on me  
This is my party  
I thought everything was free

We in the V.I.P, we in the V.I.P  
We in the V.I.P, we in the V.I.P

We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P won't you come see me

We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P won't you come see me

We in the V.I.P, yeah yeah, yeah yeah  
We in the V.I.P, yeah yeah  
Wont you come see me

We in the V.I.P, yeah yeah, yeah yeah  
We in the V.I.P, yeah yeah  
Wont you come see me

You wanna get with this because we got it going on  
You wanna get with us because we got it going on  
You wanna get with this because we got it going on  
You wanna get with us because we got it going on

You wanna get with this because we got it going on  
You wanna get with us because we got it going on  
You wanna get with this because we got it going on  
You wanna get with us because we got it going on

We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah  
We in the V.I.P, yeah yeah

We in the V.I.P  
We in the V.I.P  
We in the V.I.P

Because we got it going on  
Because we got it going on  
Because we got it going on  
...
