

## Carpet Bombing

Jungle Rot

Sound the alarm  
Its song makes your skin crawl  
Shit hits the fan  
No time for a game plan  
Bombing campaign  
Aggressor will stand tall  
Indiscriminate  
Unguided, Therefore aimed at all

Heavy bombardment  
Targets of convenience  
Civilian sector  
Population burned to death  
Obliteration  
Incendiary Bombs deployed  
Concentrated  
The urban area destroyed

Here come the bombs!
