(Believe)

Believe, believe, believe

I don't know how I got here  
I knew it wouldn't be easy  
But your faith in me was so clear  
It didn't matter how many times I got knocked on the floor  
But you knew one day I would be standing tall  
Just look at me now

Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if you didn't believe  
(Believe)  
Believe...

There were days when I was just broken, you know  
There were nights when I was doubting myself  
But you kept my heart from falling  
It didn't matter how many times I got knocked on the floor  
But you knew one day I would be standing tall  
Just look at us now

Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if you didn't believe

[Gospel]

Where would I be, if you, if you  
If you didn't believe  
Would I know how it feels to  
Touch the sky, if you didn't believe  
Believe, believe

It didn't matter how many times I got knocked on the floor  
You knew one day I would be standing tall  
Just look at us now

Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me

Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if you didn't believe

[Gospel]

Where would I be, if you  
If you didn't believe  
Would I know how it feels to  
Touch the sky, if you didn't believe  
Believe, believe
