

Lullabye

Justin Nozuka

Flashback to the past and 30 miles too fast acceleration on the
gas and she
She wakes up to the glass
A shattered mirror of the past
She reaches for her baby, reaches out for her baby
This time Katie takes her hand, she takes her hand this time in
Heaven, in Heaven

1976 to 2005 always remembered by her beautiful smile
Sarah tattooed on her arm now mamas gotta live on
Lullabye

2001 to 2005 always remembered by her beautiful smile Katie, ta
ttooed on her arm now grandmamas gotta live on
