

# My Heart Is Yours

Justin Nozuka

This morning I woke up beside the River  
The Grass and Trees were green, Flowers Began  
Growing, the Birds so  
Sweetly Sang  
Stronger and much deeper now than ever  
Lying by Your side, I never feel this right, I know It's  
Real this time

My Heart is Yours  
My Heart is Yours

The Sun falls behind the greatest Mountain  
Every moment passing by, a new color in the Sky  
Darling close your eyes  
And now we are flying, we are flying  
Over the Mountains to follow the Sun and back to the  
River when the Evening  
has won

My Heart is Yours  
My Heart is Yours

Lover when You look at Me  
It hits me just like a Summer Breeze  
My Heart  
Hold me close, and underneath  
the Moonlight Melody  
Darling dace with me

Darling like the Morning Light  
Everything will be alright  
Everything will be alright  
My Heart is Yours
