

## My Lil Sister

K'jon

Your so special  
why do you even what someone ghetto  
and it seems like you're the only one in this life  
its not okay for your to stay home while he play  
and when he plays its all day every day

i'm not a hater i'm just telling you what it is girl  
he just a player i'm just looking out for my lil sister  
do him a favor girl give him the business  
there no more to say you gotta get away before its to late

your not that kinda girl that he should be with (he blew it)  
you need to be given the world don't settled for less (don't do it)  
you deserve better don't never think other wise  
don't ever stop looking its right underneath your eyes baby

They barber shop talking  
looking at you steady gawking  
why you do that, put yourself thru all this nu sense girl  
you so picky my homey round the corner want to kick it  
but no, you say you rather be with him cause he got a Range but you g  
ot a Ben sooo  
that means your independent so what you need him for  
you say he make you feel real good  
come on that ain't real love  
its like you sleep waking baby open your eyes  
don't miss your calling, you only got one life

your not the kinda girl that he should be with (he blew it)  
you need to be given the world don't settled for less (don't do it)  
you deserve better don't ever think other wise  
don't ever stop looking its right underneath your eyes baby
