

# Wavin' Flag

K'naan

Give me freedom, give me fire, give me reason, take me higher  
See the champions, take the field now, you define us, make us feel proud

In the streets our heads are lifting, as we lose our inhibition,  
Celebration, it's around us, every nations, all around us

Singing forever young, singing songs underneath that sun  
Let's rejoice in the beautiful game, and together at the end of the day.  
We all say,

When I get older  
I will be stronger  
They'll call me 'Freedom'  
Just like a wavin' flag  
And then it goes back, and then it goes back  
And then it goes back, and then it goes...

Born to a throne, stronger than Rome  
But violent-prone, poor people zone,

But it's my home, all I have known,  
Where I got grown, streets we would roam

Out of the darkness, I came the farthest  
Among the hardest survival  
Learn from these streets, it can be bleak,  
Accept no defeat, surrender retreat

So we strugglin'  
Fightin' to eat  
And we wonderin'  
When we'll be free  
So we patiently wait  
For that fateful day  
It's not far away,  
But for now we say:

So many wars, settlin' scores,  
Bringing us promises, leaving us poor,

I heard them say, love is the way  
Love is the answer, that's what they say

But look how they treat us, make us believers  
We fight their battles, then they deceive us

Try to control us, they couldn't hold us  
'Cause we just move forward like Buffalo soldiers
