

Sunday Morning

k-os

Everyday is Saturday night
But I can't wait for Sunday morning, Sunday morning

It's the same thing, back in the cold
People know, people come and go, it bores me, same thing
Seems like I'm trapped in the world where the servants, they serve time
Time waits on no man, so when people fall like me

Everyday is Saturday night
But I can't wait for Sunday morning, Sunday morning
Everyday is Saturday night
But I can't wait for Sunday morning, Sunday morning

Walking down blocks, pictures don't stop, pictures inside my door
This is not me, I'm just afraid to be here all alone
Hurry up, wait, quit it, don't stop, I'm drowning in the self
This is not me, where is my revolution?

But if you want to own me, I am not concerned
If you follow me, I know that I can learn
You might be the greatest thing I've ever seen
All I know is music, all, all I've ever known

Everyday is Saturday night
But I can't wait for Sunday morning, Sunday morning
Everyday is Saturday night
But I can't wait for Sunday morning, Sunday morning

Let's go, let's go
Let's go, let's go

Everyday is Saturday night
But I can't wait for Sunday morning, Sunday morning
Everyday is Saturday night
But I can't wait for Sunday morning, Sunday morning
Everyday is Saturday night
But I can't wait for Sunday morning, Sunday morning
