

I Can Read Your Mind

Kai Tracid

I've been waitin' to tell you this
You are more than a man could ever want
Wait a minute, just let me look
Listen

Boom-boom-boom-boom-boom, mmm
Boom-boom-boom-boom-boom, mmm
Yeah, yeah, yeah
Boom-boom-boom-boom-boom, mmm
Boom-boom-boom-boom-boom, mmm
Yeah, babe

I stepped in a club in your hood
I slowly turned left and there you stood
You and your friends talkin'
But when our eyes connect I knew then

It was just like two ways on beam
I'm your king, be my queen
And whatever you wanna do tonight
My truck is parked out front, so let's ride

I can read your mind, babe (Oh)
I know what you're thinkin' (I know what you're
Thinkin', baby)
It's all right (With me, baby)
It's all right, yes (Oh, whoa, yeah)

I can read your mind, babe (I can)
I know what you're thinkin' (I know what you're
Thinkin', baby)
It's alright (With me, yeah, yeah)
It's all right, yes

So baby, take a ride with me
And I'll fulfill all your fantasies
And when the rain starts pourin' down
Then all the love that's lost will be found

I'll make your mind lose control
Over your body, that's my goal
So baby, just come down here
Just let the gravity pull you near me

I can read your mind, babe (I can)
I know what you're thinkin' (I know what you're
Thinkin')
It's alright (Can you feel me, yeah)
It's all right, yes (Ooh, baby)

I can read your mind (Just me and you right now)
I know what you're thinkin' (I got an idea baby, yeah)
It's all right (Oh, oh, yes)
It's all right, yes

I know you wanna rub, I know you wanna touch
I know you wanna feel, so baby, keep it real
I know you wanna see, I know you wanna be
In my B-E-D grindin' slowly

I know you wanna rub, I know you wanna touch
I know you wanna feel, so baby, keep it real
I know you wanna see, I know you wanna be
In my B-E-D grindin' slowly

I can read your mind, babe (I can read it)
I know what you're thinkin' (And I know)
It's all right (You see, I know what you know)
It's all right, yes ('Cause I could feel it too, baby)

I can read your mind, babe (Just me and you, yeah)
I know what you're thinkin' (I know, yeah)
It's all right (Oh, oh, yes)
It's all right, yes

Wanna love, baby (That's what I wanna do to you)
Wanna feel you (If you come, if you come)
Wanna love, baby (Oh, ho, ho, ho, yeah)
I wanna feel you, girl (I wanna feel you, girl)

Wanna love, baby (Come on and go with me, I want you
To stay with me)
Wanna feel you ('Cause it's all right)
