Woman come see me
Woman come hear me now
I didn't mean it
Woman come hear me out

All that I seek is, All that is seek is out Woman believe it Love over healing now

When you say, what you say what you do to me Ohohohohohooooh
I didn't know what to do
I just wanna stay close to you

Woman come see me
Woman come hear me out
It's time to release it
All that we have is now

When you say, what you say what you do to me Ohohohohohooooh
I didn't know what to do
I just wanna stay close to you

When you say, what you say what you do to me Yeahyeahyeah, yeahyeahyeah
I didn't know what to do
I just wanna stay close to you

Love over healing Love over healing now Time to believe it All that we have is now

When you say, what you say what you do to me Ohohohohohooooh
I didn't know what to do
I just wanna stay close to you, oh

When you say, what you say what you do to me Yeahyeahyeah, yeahyeahyeah I didn't know what to do I just wanna stay close to you

Ohohoh
Ohohohohoh
I just wanna stay close, close

When you say, what you say, what you do to me Yeahyeahyeah, yeahyeahyeah
I didn't know what to do
I just wanna stay close to you
