

# Everybody's My Friend

Kansas

Someone calls out my name  
They ask me how I've been  
So what's it like in the big time?  
Will you be my friend

Have you met Mick Jagger?  
Ringo, George or Paul?  
Do you have my number?  
Will you give me a call?

4 o'clock in the morning  
I hear the telephone ring  
It's the voice of a stranger saying  
I like the way you sing

They all want to know  
Do you make a lot of money?  
They all want to know  
Will you change your name?  
They all want to know  
What's it like to be a rock star?  
Everybody wants to know if they can hang around

Everybody's my friend, hello, hello  
Everybody's my friend, hello, hello

Everybody wants to have a little piece of the action  
Everybody wants to get into the show  
Everybody falls in love with the main attraction  
Everybody wants to know if they can hang around

Everybody's my friend, hello, hello  
Everybody's my friend, hello, hello

Some people they say that I'm changing  
They say I'm not the same  
But they don't understand me  
There's so much more to flame

They all want to know  
Do you make a lot of money?  
They all want to know  
Will you change your name?  
They all want to know  
What's it like to be a rock star?  
Everybody wants to know if they can hang around
