

# The Wall

Kansas

I'm woven in a fantasy  
I can't believe the things I see  
The path that I have chosen now  
Has led me to a wall  
And with each passing day  
I feel a little more like something dear was lost

It rises now before me  
A dark and silent barrier between  
All I am, and all that I would ever want be  
It's just a travesty  
Towering, marking off the boundaries  
My spirit would erase

To pass beyond is what I seek  
I fear that I may be too weak  
And those are few who've seen it through  
To glimpse the other side  
The promised land is waiting  
Like a maiden that is soon to be a bride

The moment is a masterpiece  
The weight of indecision's in the air  
Standing there, the symbol and the sum of all that's me  
It's just a travesty  
Towering, blocking out the light and blinding me  
I want to see

Gold and diamonds cast a spell  
It's not for me I know it well  
The riches that I seek  
Are waiting on the other side  
There's more than I can measure  
In the treasures of the love that I can find

And though it's always been with me  
I must tear down the wall and let it be  
All I am and all that I was ever meant to be  
In harmony  
Shining true and smiling back at all who wait to cross  
There is no loss
