

My God is Big

Karen Clark Sheard

Can I be real
Sometimes when it comes to your house
You wanted it to leave you out
Just remember our God is not surprised
About the problem, that's stressing you out
His ways are not our ways
His thoughts are not our thoughts
But please believe
He's the God
That never failed
Never failed
Never...never...failed us

Our God is big
So strong and mighty
And His plan for me
Is victory...victory...victory

I wanna hear all the victorious people say

Our God is big
So strong and mighty
And His plan for me
Is victory...victory...victory

Can I be real
Sometimes when it comes to your house
You wanted it to leave you out
Just remember our God is not surprised
About the problem, that's stressing you out
His ways are not our ways
His thoughts are not our thoughts
But let me remind you
He's a God that never fails,
Never fails us

Our God is big
So strong and mighty
And His plan for me
Is victory...victory...victory

There's nothing my God cannot do
Psalm 24:7 says:
Lift up your heads, o ye gates;
And be ye lift up, ye everlasting doors;
And the King of glory shall come in.
Who is this King of glory?
Well I'm glad you ask?
The LORD strong and mighty,
The LORD mighty in battle.

Victory I got it
I thank God
I got it

I thank God
I got it

Victory, I got it
You got it

Victory I got it
I thank God
I got it
