

# Somebody's Eyes

Karla Bonoff

Careful what you do, someone's on to you  
Careful what you do, careful what you say  
'Cause you're on display, every night and every day

Somebody's hiding in the great unknown  
Uh, huh  
And every time you think that you're along  
Somebody's eyes are watching

Somebody's eyes are seeing you come and go  
Somebody's out there, waiting for the show  
You've got no disguise from somebody's eyes

Somebody, somebody, somebody, somebody's eyes  
Whoa, oh  
Somebody, somebody, somebody, somebody's eyes  
Whoa, oh

Careful how you speak, turn the other cheek  
Be careful how you speak, think a naughty thought  
And if you get caught well, then boy, you've bought a lot of trouble

Somewhere there's someone with a perfect view  
Yoo, hoo and they're just dying for a little peek-a-boo  
Boo

Somebody's eyes are watching  
Somebody's eyes will never close, never sleep  
Somebody's after the secrets that you keep  
Who's got alibis from somebody's eyes?

Somebody, somebody, somebody, somebody's eyes  
Whoa, oh  
Somebody, somebody, somebody, somebody's eyes  
Whoa, oh

Never laugh too loud, never leave a crowd  
Never dress risk, there'll be hell to pay  
If you've ever had anything to hide  
Think twice before you step outside

Somebody's eyes are watching  
Somebody's eyes are following every move  
Somebody's waiting to show they don't approve

Nothin' satisfies somebody's eyes  
Ain't no alibis in somebody's eyes  
You've got no disguise from somebody's eyes

Somebody, somebody, somebody, somebody's eyes  
Whoa, oh  
Somebody, somebody, somebody, somebody's eyes  
Whoa, oh, whoa, oh
