

# Superwoman

Karyn White

Early in the morning I put breakfast at your table  
And make sure that your coffee has it's sugar and cream  
Your eggs are overeasy  
Your toast unlikely  
All that's missing is your morning kiss that used to greet me  
Now you say the juice is sour  
It used to be so sweet  
And I can't help but to wonder if you're talking about me  
We don't talk the way we used to talk  
It's hurting so deep  
I've got my pride  
I will not cry  
But it's making me weak

I'm not your superwoman  
I'm not the kind of girl  
That you can let down  
And think that everything is okay  
Boy I am only human  
This girl needs more than occasional hugs  
As a token of love from you to me

I fought my way through the rush hour trying to make it home just for you  
I want to make sure that your dinner will be waiting for you  
But when you get there you just tell me  
You're not hungry at all  
You said you'd rather read the paper  
And you don't want to talk  
You like to think that I'm just crazy  
When I say that you've changed  
I'm convinced I know the problem  
You don't love me the same  
You're just going through the motions  
And you're not being fair  
I've got my pride  
I will not cry  
Still I can't help but care

I'm not your superwoman  
I'm not the kind of girl  
That you can let down  
And think that everything is okay  
Boy I am only human  
This girl needs more than occasional hugs as a token of love from you to me

I'm not your superwoman  
I'm not the kind of girl  
That you can let down  
And think that everything is okay  
Boy I am only human  
This girl needs more than occasional hugs as a token of love from you to me

Oooh, baby  
Look into the corners of your mind  
I'll always be there for you through good and bad times  
But I can't be the superwoman that you want me to be  
I'll give my everlasting love if you'll return love to me

I'm not your superwoman  
I'm not the kind of girl  
That you can let down  
And think that everything is okay  
Boy I am only human  
This girl needs more than occasional hugs as a token of love from you to me

Oh!  
If you feel it in your heart  
And you understand me  
Stop right where you are  
Everybody sing along with me  
(Hoo, hoo, hoo, hoo, hoo, hoo, hoo...)  
I'm the kind of girl that can treat you so sweet  
But you got to realize that you got to be sweeter to me  
I need love  
I need just your love

I'm not your superwoman  
I'm not the kind of girl  
That you can let down  
And think that everything is okay  
Boy I am only human  
This girl needs more than occasional hugs as a token of love from you to me
