

# The Way You Love Me

Karyn White

Hey baby  
You're driving me crazy  
With that special loving feeling  
That you give to me  
And I'm so proud  
You want me to be your lady  
Now I know how it feels  
To live a fantasy

I used to dream about love  
And sure that's how it was  
But I don't have to dream no more  
'Cause I  
I got more than I can stand  
I found me a lover in another man  
I got you baby  
That's all I was waiting for

And I love  
The way you love me  
I place no one above  
I don't want true love  
I love  
(And I love)  
The way you love me  
And baby no matter what  
I love the  
I love the way you love

(Oh oh)  
Me  
(Oh oh  
Oh oh)

Oh baby baby baby  
I might as well face it  
I've fallen in so deep  
You have control of me  
Without a doubt  
It has to be the greatest  
You're every bit the man  
I had hoped you'd be

I used to dream about love  
And sure that's how it was  
But I don't have to dream no more  
Oh no  
'Cause when I think about your loving  
Then I get a good beat  
I get excited from the feeling  
That it's giving to me  
So won't you keep it coming baby  
'Cause I love the joy you bring  
I, I, I, I love

(And I love  
The way you love me)

I love it, love it, love it  
(I place no one above)  
Yeah  
(I don't want true love)  
Yeah  
I love  
(And I love)  
The way you love me  
And baby no matter what  
I love the  
I love the way you love

(Oh oh)  
Me  
(Oh oh  
Oh oh)  
I love the way you love  
(Oh oh)  
Me  
(Oh oh)  
I got a love  
(Oh oh)  
So don't you stop  
I love the way

One  
For all the special love  
Two  
A sensitive and tender touch  
Three  
Because you please  
You bring out the best in me  
'Cause when I think about your loving  
Then I get a good beat  
I get excited from the feeling  
That it's giving to me  
So won't you keep it coming baby  
'Cause I love the joy you bring  
I, I, I, I love

(Oh oh  
Oh oh  
Oh oh)  
I love the way you love  
(Oh oh)  
Me, yeah  
(Oh oh  
Oh oh)  
I love the way

I love  
(And I love  
The way you love me)  
I love it, love it, love it  
(I place no one above)
