Vlad the Impaler

Face check I walk this beach I'm frying in the heat in the cauldron stir me Chomp down my diamond teeth I ain't got The simple things in life I feel like You have got to witness This is your last retreat My last repeat

All my friends are as sharp as razors cut you down if you touch the faders High class girls hung in elevators Now we have got the floor

Get loose get loose

You can't miss me I'm still alive Snake skin shoes I'm pleading homicide Come on and feel this I'm still alive Joker meet you on the other side

Banshie I hear you call We need to raise the dead we need to raise the people Cut throat this blood runs thick It is true the simple things in life have been lost You have got to witness We are the last beatniks The lost heretics

All my friends are as sharp as razors cut you down if you touch the faders Listen up all you masqueraders Now we have got the floor Now we have got the floor

Get loose get loose

You can't miss me I'm still alive Snake skin shoes I'm pleading homicide Come on and feel this I'm still alive Joker meet you on the other side
