

Party O'Clock

Kat DeLuna

Time to wake up the world
RedOne! It's party o'clock
Hello world, Kat Deluna
Hello world, one more time
Wake up, wake up, it's party o'clock
Got to do that di da di da di da di da
Oh Oh Oh Oh

I don't even check the time, I just look up to the sky
When the sun goes up, then the party's going down
Ain't nobody going home, bout to take off on the floor
We gone lose it to the music till they kick us out the door
Then we party in Miami, party in Ibiza
Party in New york all the way to Africa
Love in the Caribbean on my way to Vegas
Here go San tropez and Tokyo.

Hello world hello world wake up wake up
Its party o'clock hello world hello world
Wake up wake up its party o'clock
Got to do that di da di da di da di da di da
Oh Oh Oh Oh

We don't need an inno sleep, home there every night of the week
We just nap on the plane, then we be right back to the heat
Oh yeah we gone mash it up and never gonna give it up
It's the club like we're living where you're at we pick you up
Then we party in Miami, party in Ibiza
Party in New york all the way to Africa
Love in the Caribbean on my way to Vegas
Here go San tropez and Tokyo.
