## **My Twin**

Katatonia

The neck, and then the chain The head is hung in shame The neck, and then the chain The head is hung in shame

I thought that you had grown That you'd carry on But now that I am gone What else's been withdrawn

You used to be like my twin And all its been Was it all for nothing Are you strong when you're with him The one who's placed you above us all

I think our love I'll let it pass It feels like fire But it won't last

What is this coming to
