

# Nowhere

Katatonia

Atmosphere decays in me  
I fail to convict my useless days  
The lack of substance  
Circle of downfall

Exit less ways  
Into pale wake  
Tired attempts to crush the design  
It's like nowhere  
I cannot sell the plight that is mine

Everything is real  
But I'm not here  
I've lost my strength somewhere nowhere  
Used to care about weather  
Used to plan the days that came  
Used to try and watch you  
Used to know my name

Someone said remember  
But I can't remember anything at all  
Anything at all  
Anything at all

Atmosphere decays in me  
I fail to convict my useless days  
The lack of substance  
Circle of downfall

Exit less ways  
Into pale wake  
Tired attempts to crush the design  
It's like nowhere  
I cannot sell the plight that is mine
