Palace of Frost

Garden, Still and Cold Leaves Once Green Turned To Gold Wrapped In Fields, Eternal Sky I Bid Farewell, I Die...

Birds of The Night, Sing My Songs Ocean of Tears, Leads So Long Solitude of My Spirit, I Am Free Now I Am Dead Forever

Storms of Sadness Cleanse My Wings I Dwell In Grief After I Die The Landscapes So Below I Harken up, The Sunset Choir Sings From The Palace of Frost The Place Where I Shall Dwell Now The Palace For The Lost

Katatonia
