

# The One You Are Looking for Is Not Here

Katatonia

This breaking vow rests so near my tongue  
Anchor on the cloud

Shade upon the sun  
You took my word for it  
The vanishing of doubt

Will unfold my empty space  
Your time froze over

I must lead the way to this conclusion  
I left you in hell with these words I say to you  
See how death will bestow seclusion  
The one you are looking for is hidden from you

In my absence now  
When time will pass and nothingness abide  
See the evening rise and take my word for it  
Focuses beyond your vision

Will unfold my empty space  
Time froze over

I must lead the way to this conclusion  
I left you in hell with these words I say to you  
See how death will bestow seclusion  
The one you are looking for is hidden from you

Do you remember when it didn't used to be so dark?  
And everything was possible  
Still?
