

In Your Eyes

Kate Boy

Watching the patterns born and dead
And catching the beams that we resurrect
It's in your eyes, in your eyes, in your eyes
It's in your eyes, in your eyes, in your eyes

Where you begin and where I start?
In a kaleidoscopic heart
It's in your eyes, in your eyes, in your eyes
It's in your eyes, in your eyes, in your eyes

Activate the motion waves and push it down
Activate the open changes flowing out

Whenever I cross the line to keep that connection
That's when I realize the point of perfection
In your eyes, in your eyes, in your eyes, in your eyes
In your eyes, in your eyes, in your eyes, in your eyes

Capture the light as it ricochets
Fill to the view that a doctor fade
Step of deception come in mistakes
Scream your release while it fits the frame

Whenever I cross the line to keep that connection
That's when I realize the point of perfection
In your eyes, in your eyes, in your eyes, in your eyes
In your eyes, in your eyes, in your eyes, in your eyes

Activate the motion waves and push it down
Activate the open changes flowing out
In your eyes, in your eyes, in your eyes, in your eyes
In your eyes, in your eyes, in your eyes, in your eyes
