

## Birds

Kate Nash

She was waiting at the station  
He was getting off the train  
He didn't have a ticket  
So he had to bum through the barriers again

Well, the ticket inspector saw him rushing through  
He said, "Girl, you don't know  
How much I missed you but we better run  
'Cos I haven't got the funds to pay this fine"  
She said fine

And so they ran out of the station  
And jumped on to a bus  
With two of yesterdays travel cards  
And two bottles of Bud  
And he said, "You look very nice"

Well, she wearing a skirt  
And he thought she looked nice  
And yeah, she didn't really care about anything else  
'Cos she only wanted him to think  
That she looked nice and he did

But he was looking at her, yeah, all funny in the eye  
She said, "C'mon boy, tell me what you're thinking  
Now don't be shy"  
He said, "Alright I'll try"

"All the stars up in the sky and the leaves in the trees  
All the broken bits that make you trip up  
And grassy bits in between, all the matter in the world  
That's how much that I like you"  
She said, "What?", he said, "Let me try and explain again"

"Right, birds can fly so high  
And they can shit on your head  
Yeah, they can almost fly into your eye  
And make you feel so scared"

"But when you look at them  
And you see that they're beautiful  
That's how I feel about you"

"Right, birds can fly so high  
And they can shit on your head  
Yeah, they can almost fly into your eye  
And make you feel so scared"

"But when you look at them  
And you see that they're beautiful  
That's how I feel about you  
Yeah, that's how I feel about you"

She said, "What?", he said, "You"  
She said, "What are you talking about?"  
He said, "You"

"Right birds can fly so high  
And they can shit on your head  
Yeah, they can almost fly into your eye  
And make you feel so scared"

"But when you look at them  
And you see that they're beautiful  
That's how I feel about you"

"Right, birds can fly so high  
And they can shit on your head  
Yeah, they can almost fly into your eye  
And make you feel so scared"

"But when you look at them  
And you see that they're beautiful  
That's how I feel about you  
Right, that's how I feel about you"

She said, "Thanks, I like you, too"  
He said, "Cool"
