Mouthwash

Kate Nash

This is my face Covered in freckles With the occasional spot And some veins

This is my body Covered in skin And not all of it You can see

And, this, is my mind It goes over and over The same old lines

And, this, is my brain
It's torturous analytical thoughts
Make me go insane

And I use mouthwash
Sometimes I floss
I got a family
And I drink cups of tea

I've got nostalgic pavements
I've got familiar faces
I've got a mixed-up memory
And I've got favourite places

And I'm singing "oh oh" on a Friday night
And I'm singing "oh oh" on a Friday night
And I'm singing "oh oh" on a Friday night
And I hope everything's gonna be alright
And I'm singing "oh oh" on a Friday night
And I hope everything's gonna be alright

This is my face I've got a thousand opinions And not the time to explain

And this is my body And no matter how you try and disable it Yes I'll still be here

And, this, is my mind And although you try to infringe You cannot confine

And, this, is my brain
And even if you try and hold me back
There's nothing that you can gain

'Cause I use mouthwash Sometimes I floss I've got a family And I drink cups of tea

I've got nostalgic pavements

I've got familiar faces
I've got a mixed-up memory
And I've got favourite places

I'm singing "oh oh" on a Friday night
And I'm singing "oh oh" on a Friday night
And I'm singing "oh oh" on a Friday night
And I hope everything's gonna be alright
And I'm singing "oh oh" on a Friday night
And I hope everything's gonna be alright
Oh oh oh oh oh oh:
