

## Stitching Leggings

Kate Nash

I was sewing my leggings back together  
But not very well  
I was standing by the dashboard  
When the plate, it sort of just fell  
Sometimes I think that I'm lucky  
And other times I don't  
But most of the time I just think

Well I'm lucky I don't have all the power in the world so I can  
't fuck everything else up  
Well I'm lucky I don't have all the power in the world so I can  
't fuck everything else up  
Well at least I'm lucky I don't have all the power in the world  
so I can't fuck everything else up

I was making the dinner and it sort of just burnt  
I was walking down the stairs  
When I tripped  
Fell to the bottom  
Broke my foot  
And it really fucking hurt

Well at least I'm lucky I don't have all the power in the world  
so I can't fuck everything else up  
Well at least I'm lucky I don't have all the power in the world  
so I can't fuck everything else up  
Well at least I'm lucky I don't have all the power in the world  
so I can't fuck everything else up

Well sometimes I think that you hate me  
And other times I think that you think I'm endearing  
Sometimes I just don't know you at all  
Even though I'd like to think I was a bit of a know-it-all  
Sometimes I'd just can't work you out  
Even though I'd like to know what you were about

Well at least I'm lucky I don't have all the power in the world  
so I can't fuck everything else up  
Well at least I'm lucky I don't have all the power in the world  
so I can't fuck everything else up

Well at least I'm lucky I don't have all the power in the world  
so I can't fuck everything else up  
Well at least I'm lucky I don't have all the power in the world  
so I can't fuck everything else up

Well at least I don't have all the power in the world so I just  
can't fuck everything else up

Yeah, at least I don't have all the power in the world so I just can't fuck everything else up

Yeah, at least I'm lucky I don't have all the power in the world so I can't fuck everything else up
