

Kiss From A Rose

Katherine Jenkins

There used to be a graying tower, alone on the sea
You became the light on the dark side of me
Love remained a drug that's the high and not the pill

But did you know that when it snows my eyes become large and
The light that you shine can be seen?

Baby I compare you to a kiss from a rose on the gray
Oh, the more I get of you the stranger it feels, yeah
And now that your rose is in bloom a light hits the gloom on the gray

There is so much someone can tell you, so much she can say
You remain my power, my pleasure, my pain
Baby to me you're like a growing addiction that I can't deny
Won't you tell me is that healthy baby?

But did you know that when it snows my eyes become large and
The light that you shine can be seen?

Baby I compare you to a kiss from a rose on the gray
Oh, the more I get of you the stranger it feels, yeah
And now that your rose is in bloom a light hits the gloom on the gray

I've been kissed by a rose on the gray
I've been kissed by a rose
I've been kissed by a rose on the gray
I've been kissed by a rose on the gray

There is so much someone can tell you, so much she can say
You are my power, my pleasure, my pain
To me you're like a growing addiction that I can't deny
Won't you tell me is that healthy baby?

But did you know that when it snows my eyes become large and
The light that you shine can be seen?

Baby I compare you to a kiss from a rose on the gray
Oh, the more I get of you the stranger it feels, yeah
And now that your rose is in bloom a light hits the gloom on the gray

Yes, I compare you to a kiss from a rose on the gray
Oh, the more I get of you the stranger it feels, yeah
And now that your rose is in bloom a light hits the gloom on the gray
Now that your rose is in bloom a light hits the gloom on the gray
