Over The Rainbow

Katherine Jenkins

When all the world is a hopeless jumble, And the raindrops tumble all around, Heaven opens a magic lane.

When all the clouds darken up the skyway There's a rainbow highway to be found Leading from your window pain To a place behind the sun Just a step beyond the rain

Somewhere over the rainbow Way up high There's a land that I heard of Once in a lullaby.

Somewhere over the rainbow, Skies are blue. And the dreams that you dare to dream Really do come true.

Someday I'll wish upon a star And wake up where the clouds are far behind me Where troubles melt lemon drops Away above the chimney tops That's where you'll find me

Somewhere over the rainbow Bluebirds fly Birds fly over the rainbow Why then oh why can't I

If happy little bluebirds fly Beyond the rainbow Why, oh, why can't I
