

How Can We Hang On To A Dream

Kathryn Williams

What can I say, he's walking away
From what we've seen
What can I do, still loving you
It's all a dream

How can we hang on to a dream
How can it ever be the way it seems

What can I do, he's saying we're through
With how it was
What will I try, I still don't see why
He says what he does

How can we hang on to a dream
How can it ever be the way it seems

What can I say, she's walking away
From what we've seen
What can I do, still loving you
It's all a dream

How can we hang on to a dream
How can it ever be the way it seems
How can we hang on to a dream

What can I say, she's walking away
From what we've seen
What can I do, still loving you
It's all a dream

How can we hang on to a dream
How can it will it be the way it seems
How can we hang on to a dream
