

Innocent When You Dream

Kathryn Williams

The bats are in the belfry
The dew is on the moor
Where are the arms that held me
And pledged our love before
And pledged our love before

And it's such a sad old feeling
The leaves are soft and green
It's memories that i'm stealing
But you're innocent when you dream, when you dream
You're innocent when you dream

I made my love a promise
That we would never part
I gave to her a locket
And then I broke her heart
And then I broke her heart

And it's such a sad old feeling
The leaves are soft and green
It's memories that I'm stealing
But you're innocent when you dream, when you dream
You're innocent when you dream

Running through the graveyard
We laughed my friends and i
We said we'd be together
Until the day we die
Until the day we die

And it's such a sad old feeling
The leaves are soft and green
It's memories that I'm stealing
But you're innocent when you dream, when you dream
You're innocent when you dream
