

Just Can't Say Goodbye

Katie Armiger

Who knows what tomorrow will bring
Oh, nobody can see
And who knows where this road will lead
Every turn's a mystery

Because nobody knows what the heart will do
And I just can't let go of you

Because days go by
And there's nowhere left to cry
And as hard as I try
I just can't say goodbye
I just can't say goodbye

Who knew that yesterday
You'd walk right through that open door
And who knew our time would end
I wanted so much more

Because I just can't seem to find
A reason to let go this time

Days go by
And there's nowhere left to cry
And as hard as I try
I just can't say goodbye
I just can't say goodbye

And I don't want to try

Days go by
And there's nowhere left to cry
And as hard as I try
I just can't say goodbye
I just can't say goodbye
