Nobody In His Right Mind Would've Left Her

Keith Whitley

I burn with desire each time my heart fans the fire To that old flame that burns inside of me She cried when I left her now I cry to forget her Oh, how foolish I was to ever want to leave.

Nobody in his right mind would've left her I had to be crazy to say goodbye Nobody in his right mind would've left her Even my heart was smart enough to stay behind.

I still carry her picture I wish her well With the new love I know she's found by now Each night finds me dreaming each day I spend thinking How much I wish she was still around.

'Cause nobody in his right mind would've left her I had to be crazy to say goodbye Nobody in his right mind would've left her Even my heart was smart enough to stay behind.

Even my heart was smart enough to stay behind...
