Catch My Breath

Kelly Clarkson

I don't wanna be left behind Distance was a friend of mine Catching breath in a web of lies I've spent most of my life Riding waves, playing acrobat Shadowboxing the other half Learning how to react I've spent most of my time

Catching my breath, letting it go Turning my cheek for the sake of this show Now that you know, this is my life I won't be told what's supposed to be right

Catch my breath, no one can hold me back, I ain't got time for that Catch my breath, won't let them get me down, it's all so so simple now

Addicted to the love I found Heavy heart, now a weightless cloud Making time for the ones that count I'll spend the rest of my time Laughing hard with the windows down Leaving footprints all over town Keeping faith, Karma comes around I will spent the rest of my life

Catching my breath, letting it go Turning my cheek for the sake of this show Now that you know, this is my life I won't be told what's supposed to be right

Catch my breath, no one can hold me back, I ain't got time for that Catch my breath, won't let them get me down, it's all so so simple now

You helped me see The beauty in everything

Catching my breath, letting it go Turning my cheek for the sake of this show Now that you know, this is my life I won't be told what's supposed to be right

Catching my breath, letting it go Turning my cheek for the sake of this show Now that you know, this is my life I won't be told what's supposed to be right Catch my breath

Catch my breath, no one can hold me back, I ain't got time for that Catch my breath, won't let them get me down, it's all so so simple now It's all so simple now
