

## Big Mouth on TV

The Kelly Family

Long time ago  
It was a very nice story  
Nine mucky kids rocked  
Their way to the top  
But the money and fame drove  
Some people insane

Well there's always going to be  
A big mouth on TV  
There is always going to be  
Someone talking bad about me

Bla bla bla ...

There's a paparazi-man  
Waiting outside my window  
And according to the news  
My brother just got wed  
You see one man's opinion  
Reaches out to a million  
Oh a million a million

Well there's always going to be  
A big mouth on TV  
There is always going to be  
Someone talking bad about me

Bla bla bla ...

Lalalalala ...
