

## Cover the road

The Kelly Family

1. You might say you're pretty,  
You might say you're free.  
Life may be so easy  
Life may be so free.

R: Cover the road  
Cover the road  
Till the end of time.

2. You might say you're ugly  
You might say you're chained.  
Life may be so dreary  
Life may be a shame.

R: Cover the road...

Love is a highway  
You're sitting on the wheel  
You decide the speed.

Here is the easy  
And there is the hard way.  
It's either one.

R: Cover the road...

3. You might say you're ugly  
You might say you're chained.  
It's inside your heart lady  
Where the battle is won.

R: Cover the road...

Cover the road  
I can see the road to cover

Cover the road  
I want you to cover the road with me

Till the end of time.

R: Cover the road...
