

# I'm So Happy

The Kelly Family

I'm flying dancing, I'm having some fun  
I'm emptyd a bottle, I'm feeling so young  
My baby, she threw me, out of the home  
Out home, out of the home

I'm so happy, I'm so happy  
Iain't got a dime but I'm happy, I'm so happy I'm so happy

Ineeded some action, I went into town  
I cought up with people, just hangin' around  
I told them my story, they'd heard it before  
Oh oh they'd heard it before

I'm so happy  
I ain't got a dime but I'm happy  
I'm so happy I'm so happy  
Got holes in my shoes but I'm happy

I'm so happy  
I ain't got a dime but I'm happy  
I'm so happy I'm so happy  
Got holes in my shoes but I'm happy

I'm so happy, I'm so happy  
I'm lost all I've got but I'm happy  
I'm so happy, I'm so happy  
They stole all my clothes  
But I'm happy
