

Leave It to the Spirits

The Kelly Family

Leave it to the spirits
Take life as it comes
Do your duties every day
And obey your mummy and pappy
Don't worry child
That's what the spirits are for
All you got to do
Is be be be a good boy

Hecho la ronda a ese nino
Hecho la ronda a ese nino
Se la hecho de verdad hay, hay
Se la hecho de verdad Que si nos quiere dar algo
Qui se nos quiere dar algo
No debe mas llorar hay, hay
No debe mas llorar

Your doggy died
But he's up here with me
Everybody dies
And then sometimes
They come to visit me
Don't worry child
That's what the spirits are for
All you got to do
Is be be be a good boy

Lalalala ...

Hecho la ronda a ese nino ...

Leave it to the spirits
Take live as it comes
Do your duties everyday
And obey your mummy and pappy
And obey your mummy and pappy
And obey your mummy and pappy
