Nanana

The Kelly Family

In this grey world where nobody sings I saw the face of a human doll Her eyes were glass and her hair was gold From her sweet soft lips You could hear that song go

In a place where hell is around the corner I touched her hand it was baby sweet She kissed me there I could feel the song going down my throat She was singing to me

Nanana nana, nanana nana...

My daddy said if you wanna live You better not touch this is not a toy The truth is boy I'm a bloody fool I left the one I loved behind, singing

Nanana nana, nanana nana...

Tell me what it is that brings me back to you Tell me what it is I can't stop loving you (2x)

Nanana nana, nanana nana...

So take me back to the land of yours Where the black swan loves the one I lost My generation sings with the radio on The melody of the human doll

Nanana nana, nanana nana...
