

Okey kids, it's your world now  
I believe in you, so don't let me down  
Never doubt your powers, no not you  
She told me to do a super job  
So give us all you have

Okey Papa, it's our world now  
We believe in you, we'll make it now  
We'll change this whole world all I try  
We told her we'll do a super job  
We'll give it all we have  
We told her we'll do a super job  
We give it all we have

Stand back you kids  
It's my turn now  
I believe in me

Me, I do a super, super job  
So give us all you can

Okey kids...
