

Once in a While

The Kelly Family

Once in a while I see you
Once in a while I don't
And when when I see you
I fell like flying over
Flying over the clouds oh yeah
Oh I wanna do someting for you
I could fix you're broken shoe
I don't wanna hide
Oh I wanna help you find the clue
So that we can save our own few
I don't wanna hide
I wanted to buy you some flowers
Went downtown the shops were closed
But when I sod you smiling
I felt like flying over
Flying over the clowns oh yeah
Oh I wanna do someting for you
Just tell me what to do
I don't wanna hide
But I know you'll be leaving soon
But i'll never forget you
Don't wanna hide
Why will it take so long untill I can see you again
(I wanna see you again) (2x)
And you know
It's just a dream oh yeah (2x)
Oh I wanna do something for you
Why will it take so long
Eeh yeah
